How to read this fee sheet

This fee sheet shows two representative five-day Holland Park packages. Funded entitlement hours are shown separately and are free to parents. Monthly invoices separate additional private childcare, food and nutrition, extra-curricular activities and the security contribution.

Funded-only access and opting out: Food and separately charged extra-curricular activities are not a condition of accessing funded hours. Families may opt out and request a reasonable alternative, subject to food safety, allergy and Kosher requirements.

Why five days? Keren's Curriculum is designed across the five-day week. Five-day attendance gives children the fullest experience of Forest School, Mandarin, music, physical activities and educational outings alongside the EYFS. Children attending fewer days continue to receive high-quality EYFS provision but may miss activities on non-attendance days. Fewer-than-five-day attendance is subject to availability and is priced according to our shorter-week package structure.

Important Friday note: Holland Park closes at 2pm on Fridays from April to September and at 12:30pm on Fridays from October to March. Standard package pricing remains as published.
